Mr. Hall says that he sold a certain plece of property to a man by the name of Reed for \$437.50. Of this amount Mr. Reed paid him \$300 last summer and gave his note for the balance. Some time later he says that the purchaser informed him that he had placed \$100 to his (Hall's) credit in Schettler's bank. Mr. Hall sought Mr. Reed, to whom he had returned the note at the time of the alleged payment, but Mr. Reed said he could not find the paper. However, he told Mr. Hall that on a certain occasion he had taken the note to the bank

"It is Brother Schettler's turn today. It may be yours or mine tomorrow."

BAD SIUMMEN

MAKES BAD BLOOD. You can't make sweet butter in a foul churn. Every farmer's wife knows this. Your stomach churns and digests the food you eat, and if foul, torpid or out of order, your whole system suffers from blood poisoning. You will have foul breath, coated tongue, bad taste, poor appetite and a whole train of disagreeable symptoms. Dr. Pierce's Golden Medical Discovery, which is not a beverage composed of whisky or alcohol, being entirely free from intoxicants, is a great regulator and invigorator of the Stomach, Liver and Bowels.

"About a year ago I was ill with blood poi-

"About a year ago I was ill with blood poisoning." writes Miss Eveline Louis, of 89 Walter Street, Buffalo, N. Y. "I had what seemed to be a small cold sore on my lip. It became very angry in appearance and began to spread until it nearly covered my face. I was a frightful sight and could not go outside the house because of my appearance, I used a blood medicine which did not give me any relief. Then I began to take your Golden Medical Discovery.' I was greatly benefited with the first bottle and after taking the second bottle was completely cured. The erysipelatous eruption disappeared and my blood was cleansed. My complexion is clear and fresh and I have felt better this year than I did for some time before. Dr. Pierce's Golden Medical Discovery is certainly a most remarkable medicine."

Don't accept a substitute for a medicine which performs such cures and which has a uniformly successful record of nearly forty years to its credit. You know what you want; it is his business to meet that want.
